

PT DHARMA DJAYA ABADI

ABOUT

PT. Dharma Djaya Abadi is an Indonesian company selling natural commodities, such as palm ekel broom sticks, candle nut, etc.

- ▶ We are based in Medan, North Sumatera. We are aware of the demand of the natural produce and we want to take the role to supply our communities' produce to international market so that our communities can grow and benefit in return.

OUR VISION

To be the number-one company to supply quality commodities to international markets and to benefit our commodities.

OUR MISSION

We source quality natural produce from suppliers in our community. We ensure that we sell at the competitive price for our customers, yet fair price for our suppliers.

We continuously source our products from more suppliers to ensure that we have enough capacity to supply our growing customers

Upholding our values of commitment, integrity & quality, we keep looking for products, business practices and collaborating with partners to ensure that we serve our customers better.
