Retail Trade - Contract Manufacturing for Hotel and Commercial Project

About Us

Decorus is a high quality furniture manufacturer for retail trade and contract manufacturing for hotel and commercial project.

At Decorus, we bring quality, excellence and beauty together to create great furniture.

This is because we are passionate about the intrinsic beauty of furniture, we are passionate about outstanding quality and we are passionate about achieving it day in and day out. From the contemporary to the traditional, from coffee tables to bedroom suites, from carvings to fine veneering, every time is finished with meticulous attention to detail by our skilled team.

ECOLOGICAL AWARENESS

Solid wood construction forms a major part of our furniture production. Local and imported species are carefully selected for their strength as well as for their unique grain. We are fully committed to the sustainable sources with the appropriate certification and proof of chain of custody. Decorus is certificated by an approved independent agency for timber legality verification.
