1. ABOUT OUR COMPANY

ABOUT US

FurniACE is a specialist teak furniture supplier from Indonesia. Since we started, our mission has always been to provide our clients with the highest quality products and customer service, while maintaining a completely competitive price. Our design and sales team is always on hand to offer any guidance or support that you might need. We also offer a custom-made service to meet any specific project requests that you might have.

WHY US?

Consistent Quality

This is the main focus that we have. With a good and detail standard operating procedure, you have a certainty of consistent quality.

Lower Cost & Higher Productivity

Indonesian labor cost is lower than other countries' and we efficiently produce more products.

Reliable Delivery Dates

You will have certainty to get the products on time because we minimize the risks with better production system.

Legal Wood Certificate

We use certified legal wood called Sistem Verifikasi Legalitas Kayu (SVLK).

OUR PHILOSOPHY

MISSION

Approach each client with a total dedication to excellence

VISION

Build lasting and positive relations with our business and social environment.

VALUES

Act in line with international standards of corporate responsibility and business ethics.

2. OUR PRODUCTS

TEAK WOOD

ADVANTAGES

1. Aesthetic appeal
2. Very strong
3. Excellent durability
4. Natural resistance to termites and insects
5. Heat moderation
6. Resist rot and decay
7. High dimensional stability
8. Moisture – resistant

DISADVANTAGES

1. It can be very expensive
2. Hard to find high-quality wood
3. Needs care

TEAK WOOD GRADES

Teak wood grade A is taken from the center of the wood (heartwood). It has close grains, warm honey tan color and much natural oil for protection.

Teak wood grade B is taken from outer heartwood (immature heartwood). It has uneven grains, lighter color and less natural oil than the grade A.

Teak wood grade C is taken from outer side of the wood (sapwood). It has uneven grains, light to white color and very limited natural oil which make it less durable than the grade A and B.

3. FREQUENTLY ASKED QUESTIONS

FAQ

How to buy

1. Discuss Order

Discuss your furniture needs and interest with us. You can also request for custom size and design of furniture. Visit our factory will make it easier for the buyer to check the production capacity, quality, and sample products.

2. Arrange Order

Negotiate the order quantities, price, shipments, and payment terms. After all clear and we receive a deposit, we will start the production.

3. Production

We will process the orders. Normally it will take 7-8 weeks of production for 1x40ft Container to finish but also depends on quantity and agreements.

4. Shipment

We will arrange and assist the shipments procedures as our agreement from deciding the EMKL container, scheduling shipments, loading products, and documents process.

FAQ

Minimum order

Full Container Load (FCL). Our minimum order is 1x20ft container (mix items).

Production process

20 ft container production will take 5-6 weeks maximum
40 ft container production will take 7-8 weeks maximum
The production start after 50% down payment is received.

Price Terms

We provide price term in FOB (Freight on Board).

FAQ

Payment terms

We accept T/T (Telegraphic Transfer).

50% down payment in advance is required to start the production. The rest of the payment has to be paid at the time of shipment or after the container loaded. Original documents will be sent to the buyer upon receiving the transfer.

Sample Order

We are available for sample orders.
