It has been rolled out early thanks to our quick work! Our teams are implementing and measuring our newest efforts now.

# Coconut Peat

Coconut peat is a multi purpose growing medium made out of coconut husk. The fibrous coconut husk is pre washed, machine dried, sieved and made free from sand and other contaminants such as animal and plant residue.

We supply high quality coconut peat.

## Coconut Fibre

Coconut fibre, is a natural fibre extracted from the outer husk of the coconut and used in products such as floor mats, doormats, brushes and mattresses.

We supply best quality coconut fibre.
