Hight Quality Queen Pineapple

Our Queen Pineapple

Premium Quality Queen Pineapple

Our pineapples are planted in fertile soil in Kalimantan, professionally cared for, harvested in mature or semi-mature conditions, the following are the advantages of our queen pineapple.

01

It has weighs 1.5 Kg – 2 Kg per fruit, green to yellow in color.

02

It has a very sweet taste, is more juicy and refreshing, has a pleasant aroma and flavor

03

Have soft fibers and better eaten fresh.
